

Cleveland Clinic Centers of Excellence Program

Your health plan offers members access to a high-quality Cardiac Centers of Excellence Program through Cleveland Clinic.

Why use the Cleveland Clinic Centers of Excellence Program for your heart surgery?

Top-quality facilities and surgeons

Personalized support throughout your journey

Zero out-of-pocket costs (for non-high deductible health plans)

If your physician has recommended you have a cardiac surgery, reach out to learn more and see if your procedure qualifies!

Contact Member Services at **855.346.LSU1** or **COE@webtpa.com** and request information regarding the WebTPA-Cleveland Clinic Centers of Excellence Program.
